

ŠKODA AUTO IN 2020

ŠKODA AUTO DELIVERED 1,004,800 CARS TO CUSTOMERS

ŠKODA AUTO delivered 1,004,800 vehicles to customers worldwide in 2020 despite considerable burdens and major challenges due to the COVID-19 pandemic.

MILESTONES OF 2020

125 YEARS IN OPERATION

Last year, the company celebrated its 125th anniversary. It makes the manufacturer **one of the longest established car producers in the world**. Václav Laurin and Václav Klement founded the company in 1895.

START OF ENYAQ iV PRODUCTION

Production of the ENYAQ iV has started in Mladá Boleslav. The daily capacity is 350 units and the cars are assembled alongside the OCTAVIA and the KAROQ models. **It is the only production line in whole Volkswagen Group for vehicles based on both the MQB and MEB platforms.**

ŠKODA AUTO HELPS

The carmaker is actively helping institutions whose employees are deployed in the front line against the COVID-19 pandemic. In addition to numerous support initiatives, ŠKODA AUTO **donated 100 OCTAVIAS** to medical and social facilities. Follow #SKODAAUTOhelps to find out more about ŠKODA's assistance programmes.

ZERO WASTE TO LANDFILL

ŠKODA AUTO is consistently optimising the ecological footprint of its cars, from the extraction of the raw materials to the end of the vehicles' life cycle. ŠKODA has taken another important step: **all waste produced during manufacturing is recycled**, either materially or thermally.
